Barbara,

May I wish you the best of luck for the future years to come, it has been a pleasure knowing you for the past years. Hope to see you next year and have you in mr. pf my class.

Your friend,

"If you will observe, it doesn't take

A man of giant mould to make

A giant shadow on the wall;

And he who in our daily sight

Seems but a figure mean and small,

Outlined in Fame's illusive light,

May stalk, a silhouette sublime,

Across the canvas of his time."

Trowbridge

Barbara,
Its been fun
getting to know
you. Spinks is quite
a different teacher. Good
luck to you in future.

Barbara,
Its been fun having you in my
classes this year. The times we
have tied up the telephone line
was awful but it served the
purpose didn't it.
Have fun this summer
and may God Bless
you. Lenore Frazer

The freshman open house proved fun for students and parents.

Class Party

AFS TALENT SHOW

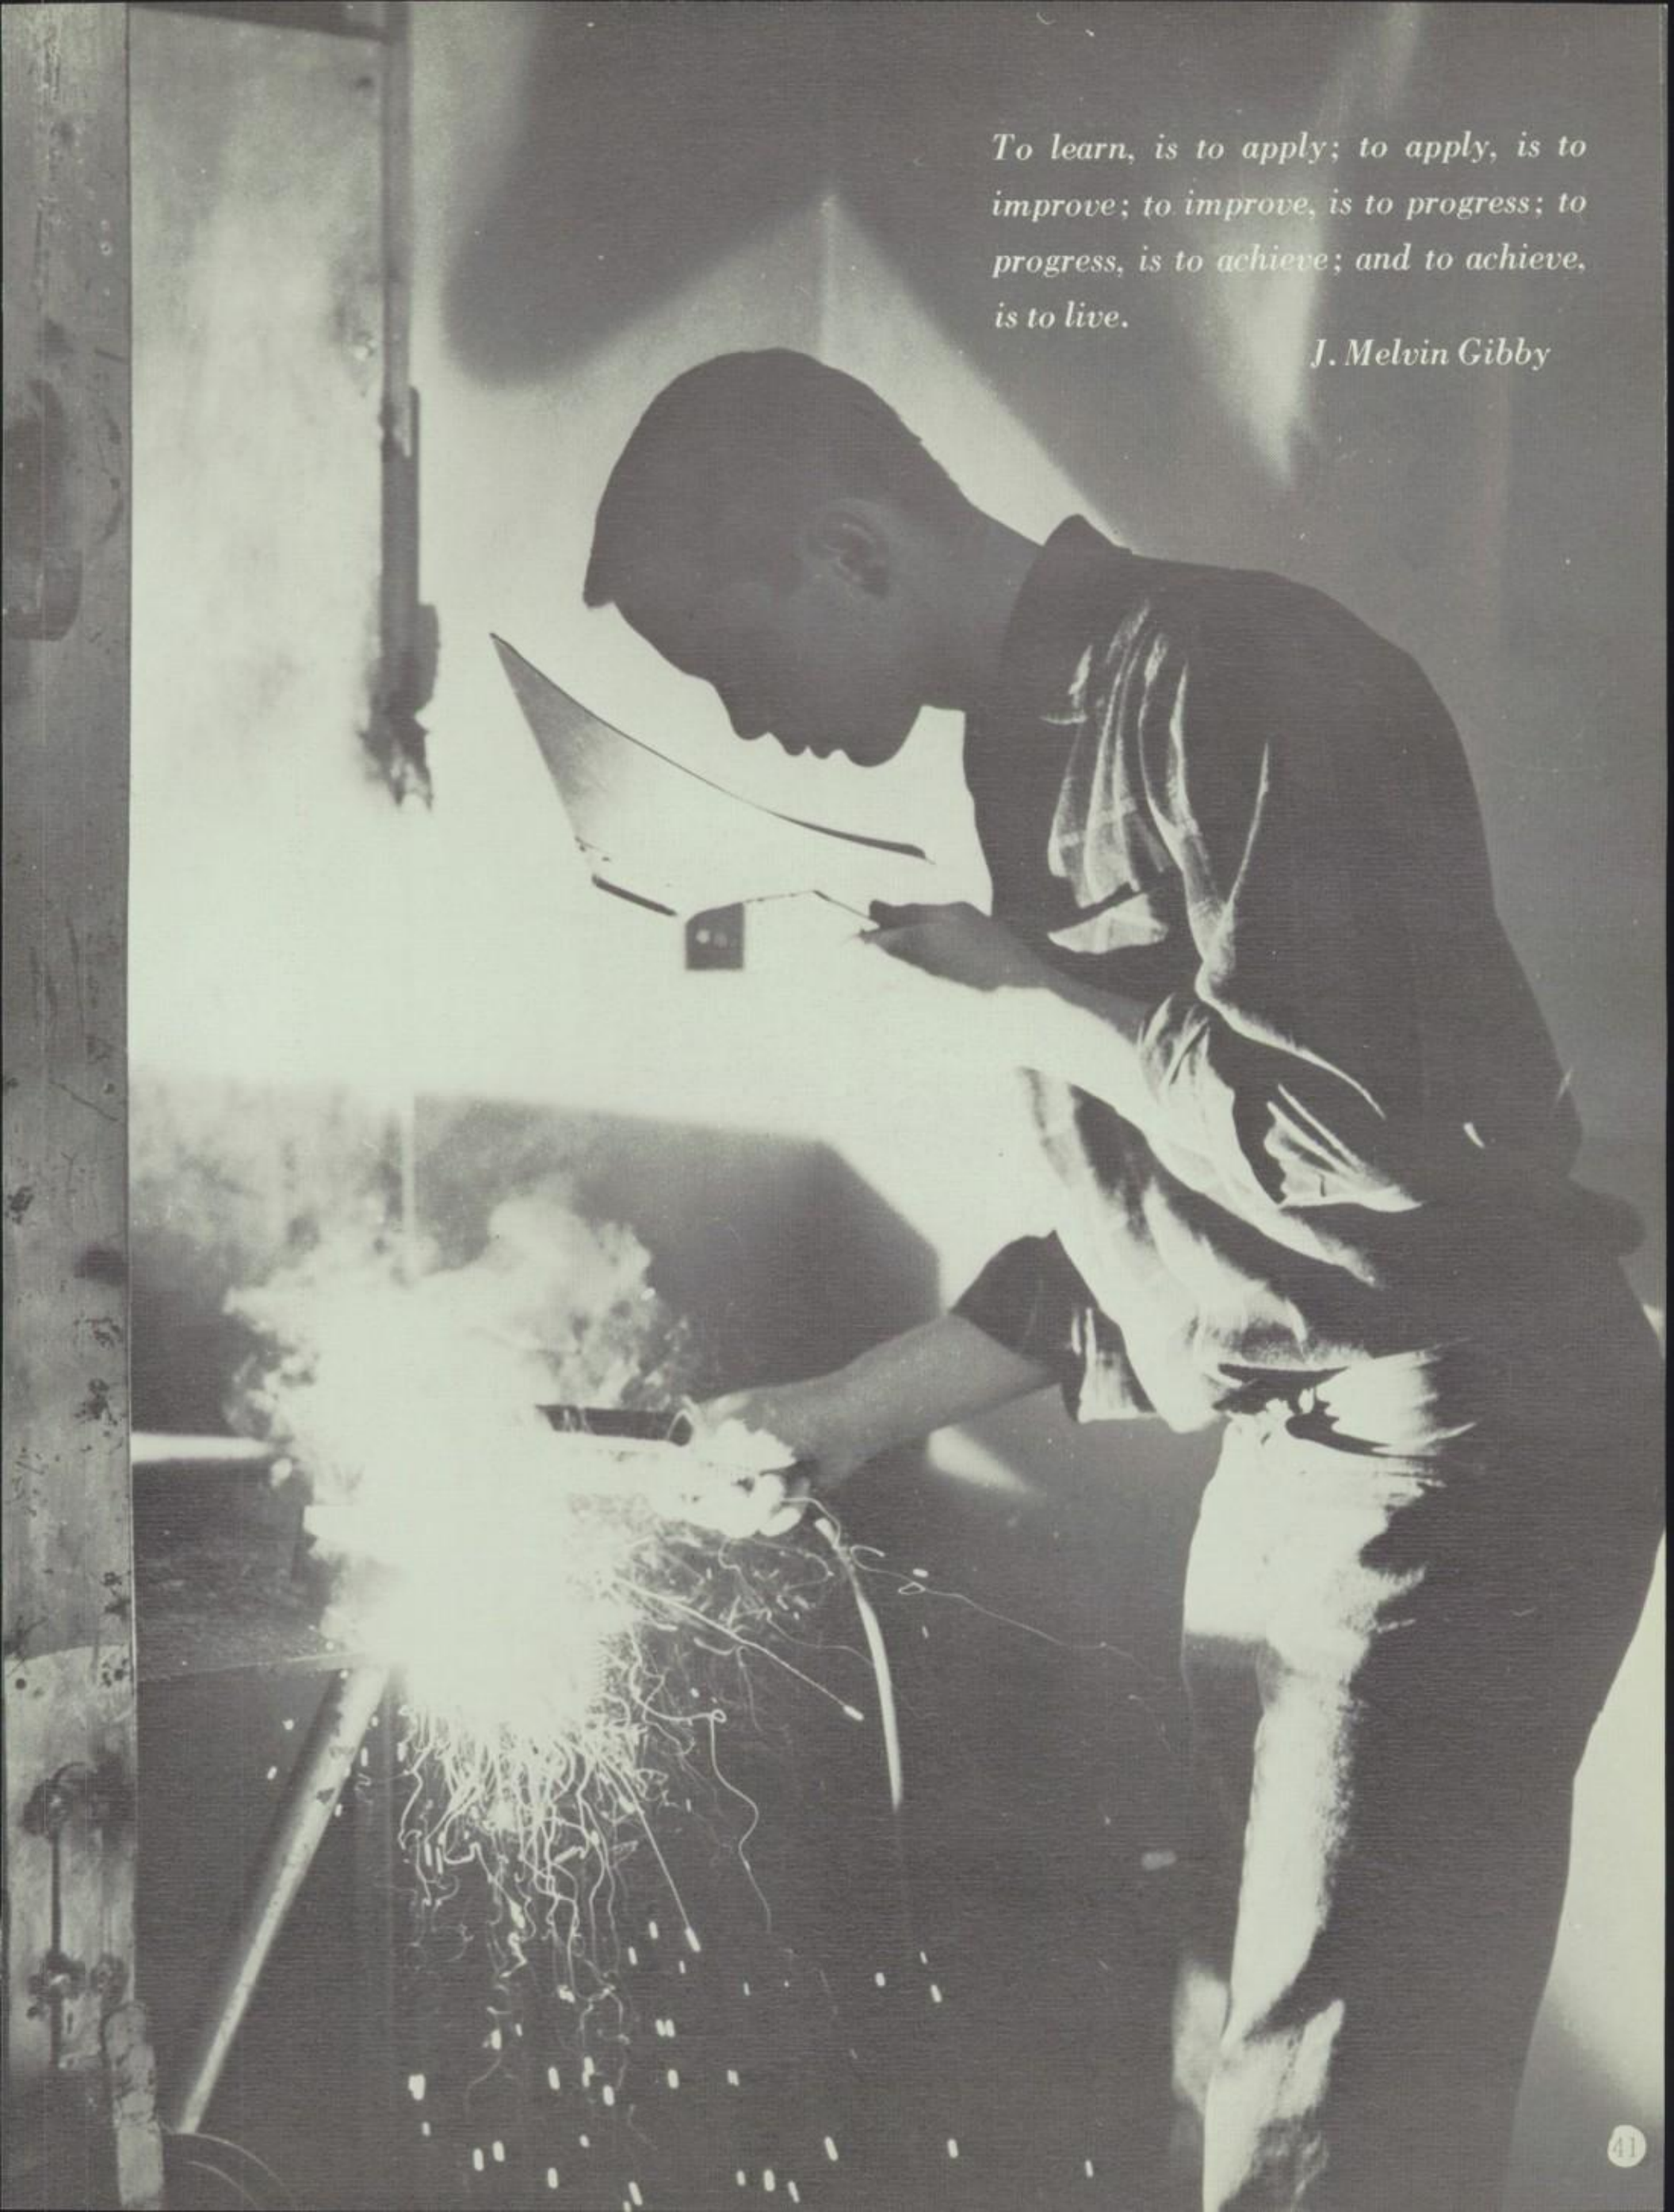
Judi Mitchell croons a toon from "South Pacific."

Larry Pendergrass is stuck with Sticky.

"Citizen" Rice pleads his case.

Mary Lou sings "After You've Gone."

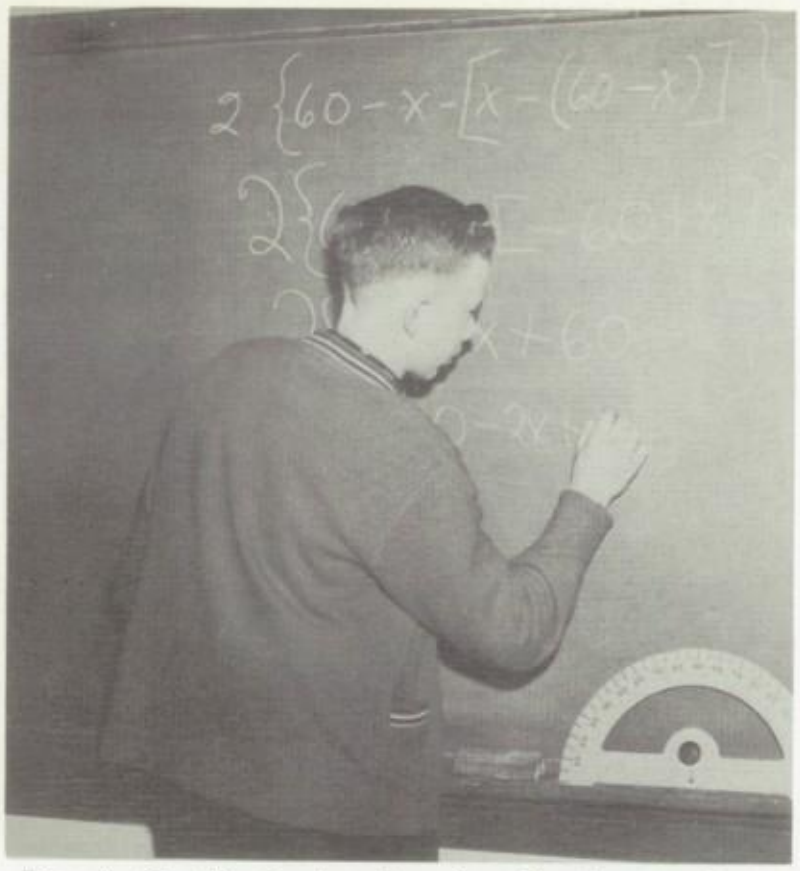
Kay, Chris, and Barbara "sing song.'



To learn, is to apply; to apply, is to improve; to improve, is to progress; to progress, is to achieve; and to achieve, is to live.

J. Melvin Gibby

MATHEMATICS



Dennis Gradin is showing that Freshman algebra is important in solving everyday problems. Algebra is the basis for the more advanced mathematics taught at Gresham.

One phase of the new Chemical Bond Approach chemistry being taught at Gresham is demonstrated by Bobbie Wiesinger and Jayne Kinoshita. The model on the left is of an ice crystal.

Sam Roser and Carolyn Zimmerman are "watching" the sound waves of music in their physics class.

SCIENCE

SOCIAL STUDIES

Jim Brown and Mary Hartwick are inspecting a map of England in geography class.

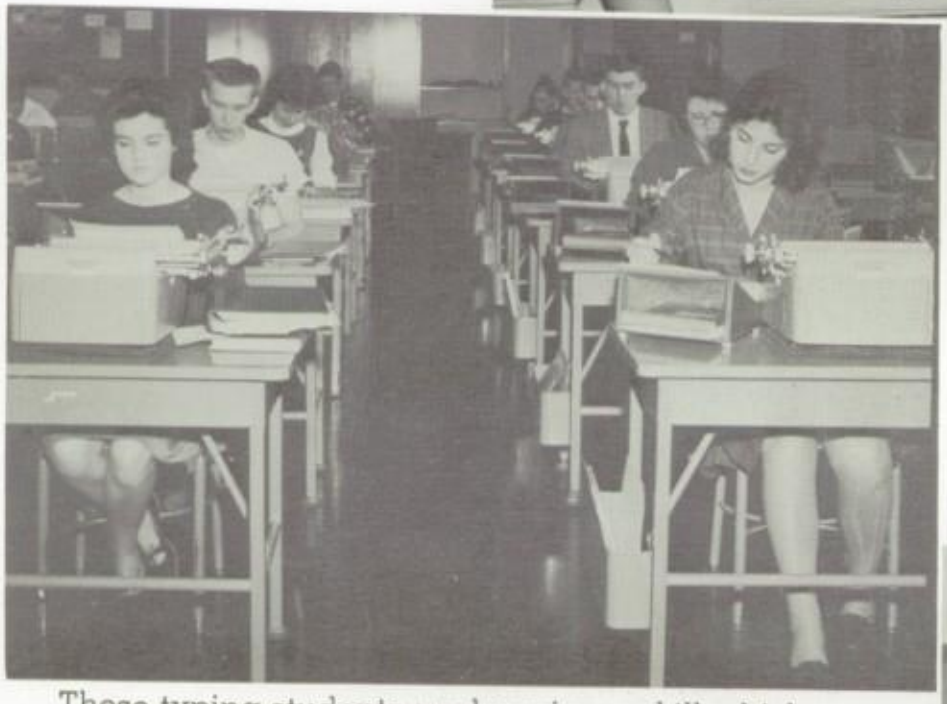
Mr. Bialostosky is setting an example for his American Problems students by studying the economics page in the newspaper. All of his students are encouraged to read newspapers and magazines, especially the editorial pages.

To world history students like Jim Spinks, maps play an important role in learning the development of nations.

LANGUAGES

Maria Gargiulo, the exchange student at Gresham from Brazil, is asking Mr. Mallon if she has written the date correctly in Spanish. An aid to Maria was the Spanish calendar.

Bill Opray and Linda Mitchell show that many words in the English vocabulary are derived from Latin. This derivative poster was made by a Latin student as a project.



These typing students are learning a skill which will help them in the future, whether as secrettaries, businessmen, or housewives.

Bookkeeping students, along with learning the fundamentals of keeping books correctly, learn to use the adding machines to an advantage.

BUSINESS EDUCATION

MANUAL ARTS

The sewing machine is the center of interest in the home economics room to Gail Forsyth and Gabriele Kradenpoth.

Gayle Hayman is telling Miss Kelly that she likes this particular piece of art which is on display. The art students have also done pencil sketching and linoleum block printing.

Mr. Hubbard is pointing out a work detail in this model house to some of his woodworking students. Much valuable experience is gained in the wood shop.

John Brinser is taking advantage of the lathe in metal shop.

Hi Barb -
Gee wasn't it been a ball in U.S. & English lots of luck to a real nice girl. Love Sheila

The very talented and colorful Gresham High Band, under the baton of Mr. Harold Weber, is perhaps the most active musical group in the school. Whenever entertainment is needed, whether it be at a football game or an assembly, the band is ready to provide it. The highlight of the year for the band was the spring band concert.

This year under the direction of Mr. Richard Muhle, the Gresham High Choir, by performing at many school functions, has gained the reputation of being one of the best in the history of Gresham.

The Overtones are one of the most popular musical organizations in the area. Having sung at numerous school events, much enjoyment has been provided for every student and teacher.

Overtones—Row 1: C. Olson, C. Longenecker, C. Armstrong, C. Johnson, W. Wight, M. Geisler, K. Kallberg, J. Caldwell, K. Wall, S. Curry. **Row 2:** C. Potts, T. Smith, B. Brooks, S. VanBeek, R. Eblen, D. Rice, D. Parker, G. Sundquist, D. Fessler, R. Tennent.

EXCHANGE STUDENTS

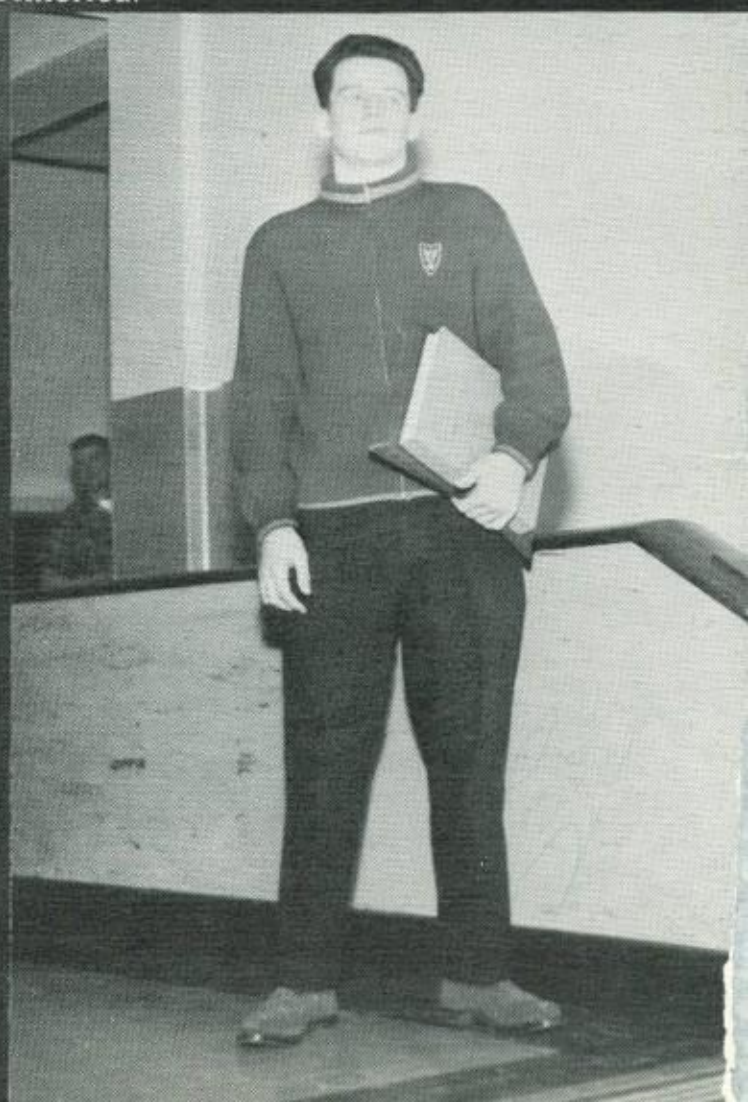
The American Field Service winter school program had Bill Hubbard in Austria. Learning to ski and play soccer provided a rest from the many math, science, and language courses taken in school.

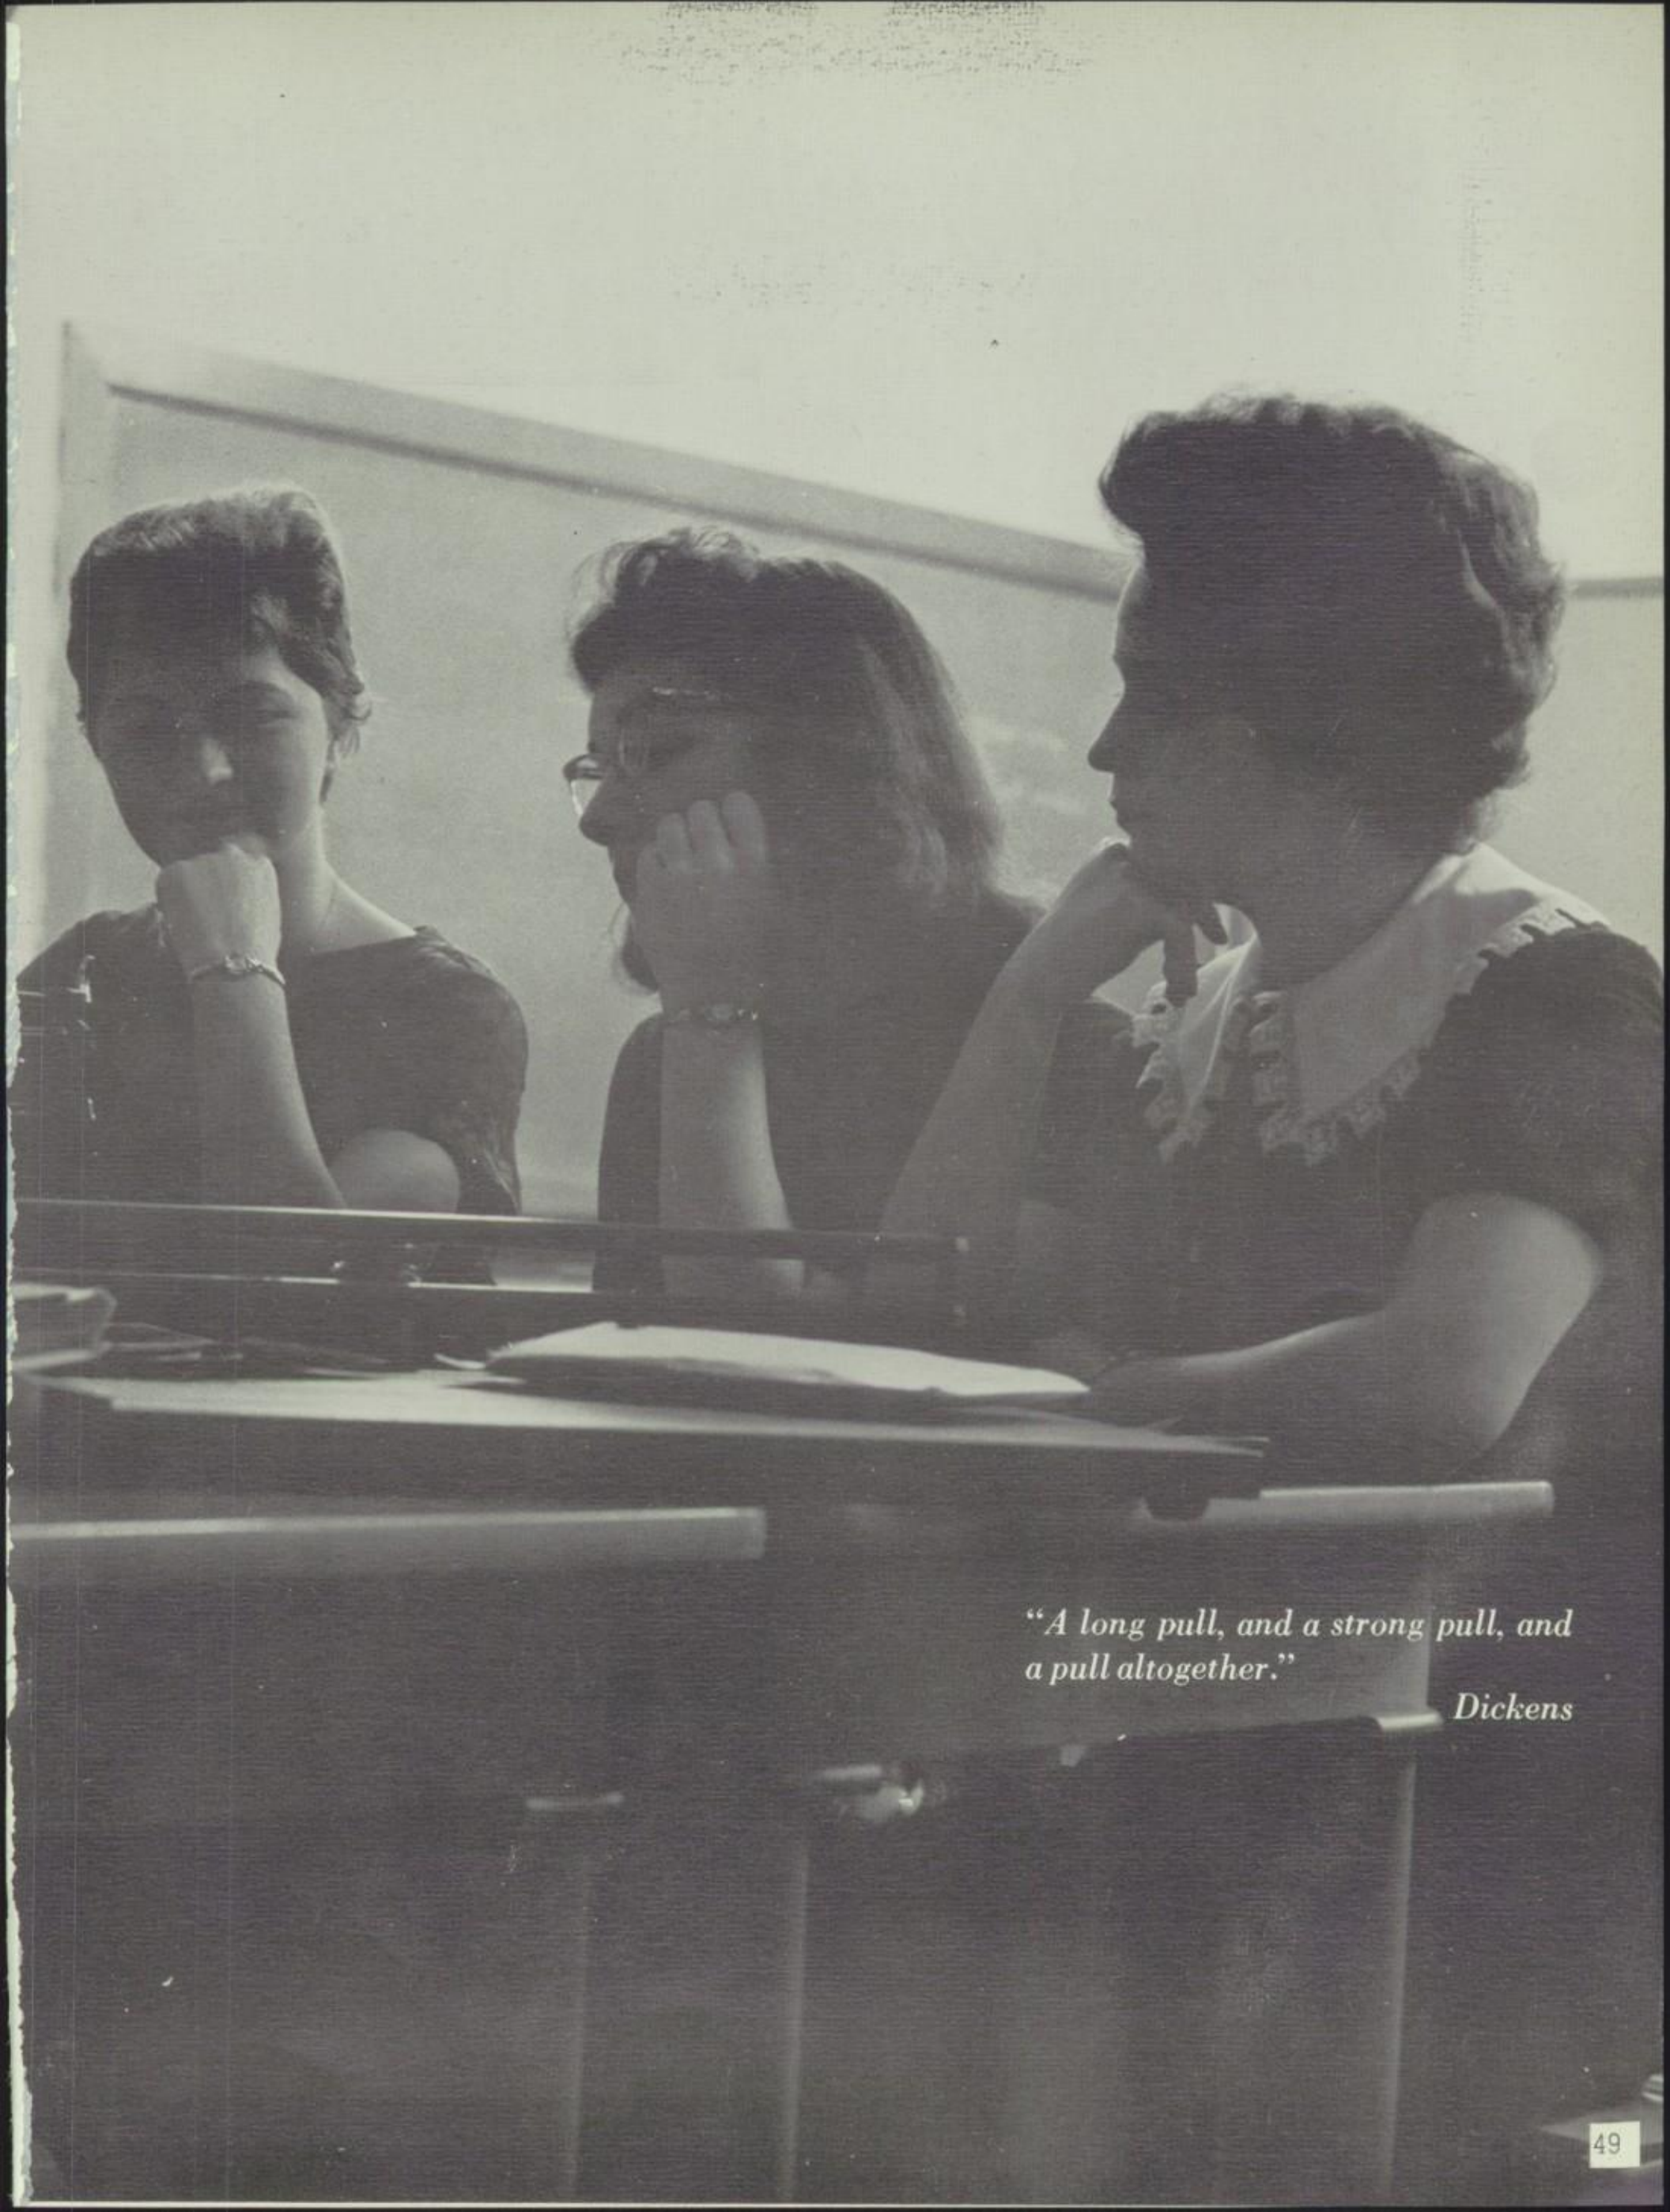
Walk together
talk together,
O ye peoples of
the earth.

Then and only
then shall
there be peace.

Maria Lina Gargiulo, the vivacious exchange student from Brazil, puts a smile on everyone's face with her highly animated expressions. Besides being a very talented dancer, Maria is able to speak several languages.

Jon Ellertson, while in Germany, found it interesting to discuss politics and help with the farming. He returned with a new understanding of how people of other countries look at America.





"A long pull, and a strong pull, and a pull altogether."

ANNIE GET YOUR GUN

"How much is a dime and two nickels?"

"Get those Indians out of this pullman!"

This year's senior class play was "Annie Get Your Gun." The plot revolved around a young couple who, although very much in love, couldn't get along because of each other's pride in his marksmanship. Eventually, however the differences were resolved in three heart-warming and hilarious acts. The play was directed by Gloria Kelly and Winefred Casterline.

Playing for the first year without benefit of talent from the Centennial district, the varsity football team completed its Metro season with a 1-7-1 record. Under the guidance of coach Vickery, the Gopher gridsters defeated their sister school Centennial by a score of 14 to 0, in the initial meeting of the two schools. The Gophers also tied Clackamas 6 to 6.

Competing in a league that produced the state champions, Gresham played quite credibly.

POWELL, MO 5-8161.**

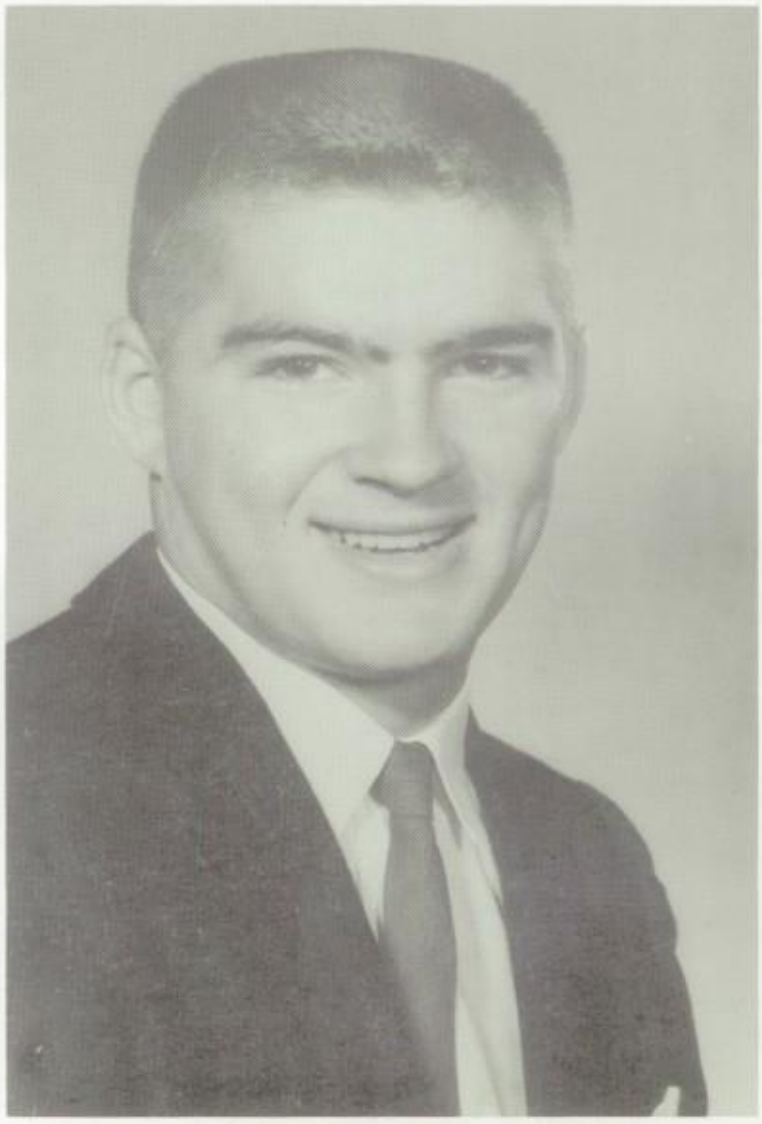
Even robbers know that the safest place to save their dough is **GRESHAM STATE BANK, 5 N. MAIN, MO 5-4101.** Besides receiving personal, fast, convenient service, you'll earn 3% interest while you save.

What's the matter? Looks as if Connie Fleming and Linda Zandell ran out of heating oil. Bet they are calling **RICHFIELD HEATING OIL, BULL RUN ROAD, MO 5-5693,** because they have prompt delivery and budget terms. (Smart girls).

"Oh, isn't that cute!" says Margie Ando to Ray Onchi. "It's a pillbus with only three wheels! It makes people feel better when they are ill because it delivers pills to sick people. WOW! Look at that good lookin' man that drives it! Ohhhh . . . I feel sick." Be smart and order your pills from **PAYLESS DRUG STORE, 111 N. ROBERTS, MO 5-4298.** (Good luck, Margie, and oh yes, you too, Ray.)

Judging by the looks of Carolyn Zimmerman, she has been thinking about one of the finest shopping centers in Gresham. That is of course, **ZIMMERMAN'S, 12 MILE CORNER, MO 5-4111.** You get green stamps too, so the next time you shop, go to Zim's!



If you would like one of these beautiful, life-like photos of Kris Eilertson, Jon Ellertson, Linda Robinson and Jerry Guddat from **DEE'S PHOTOS, 28 E. POWELL, MO 5-4666,** just send 25c in coin and one box top from Casper's Milksoppers to Subtunnel Two, Gopherville. Make sure that address is right. Offer expires in May, 14 A.D.

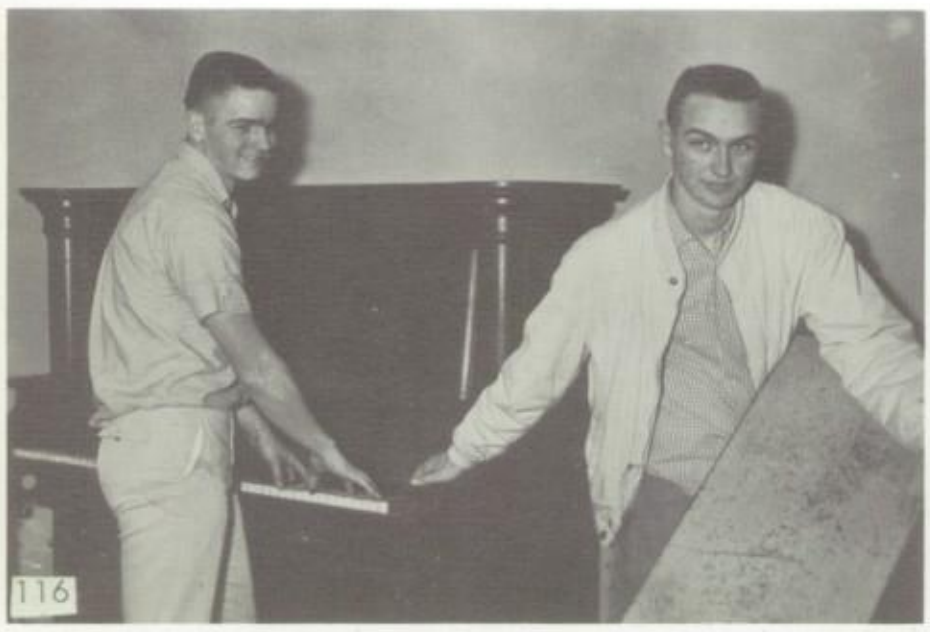
Now you hurried people can get your banking done quicker with the new drive-in window at the Greshar Branch of the First National Bank of Portland, Oregon, a member of the Federal Deposit Insurance Corporation.

Hark! 'Tis "way out" Roger searching for news for the Gresham Outlook. The **OUTLOOK, 226 N. MAIN, MO 5-2181,** publishes the "best newspaper." News is up to date, best in editorials, and of course, the pictures are out of this world!

What's this? A junior girls' football team? Well, even they need nourishment to get their plays correctly. We'll be' that right after the game they head for **MARCY'S, ACROSS FROM GRESHAM HIGH,** to help them gain another win over the seniors!



"You'd think this was a five-second commercial, the way you're jittering around," says Bob Rinker to Doug Russell. "If you don't send that piano back to your Aunt Klinkerbell right now, I'll call **GRESHAM TRANSFER, 620 N. E. KELLY, MO 5-3141,** and they'll move it out of here before any 'ol five seconds are up!"

This picture of a cow has nothing whatsoever to do with this ad, but we ran out of ideas. Mt. Hood Woodworking, however, always does original work and has fresh ideas. Remember **MT. HOOD WOODWORKING, 835 N. E. 8th, MO 5-5114,** for all your cabinet work.
